## Camille Henrot Wet Job

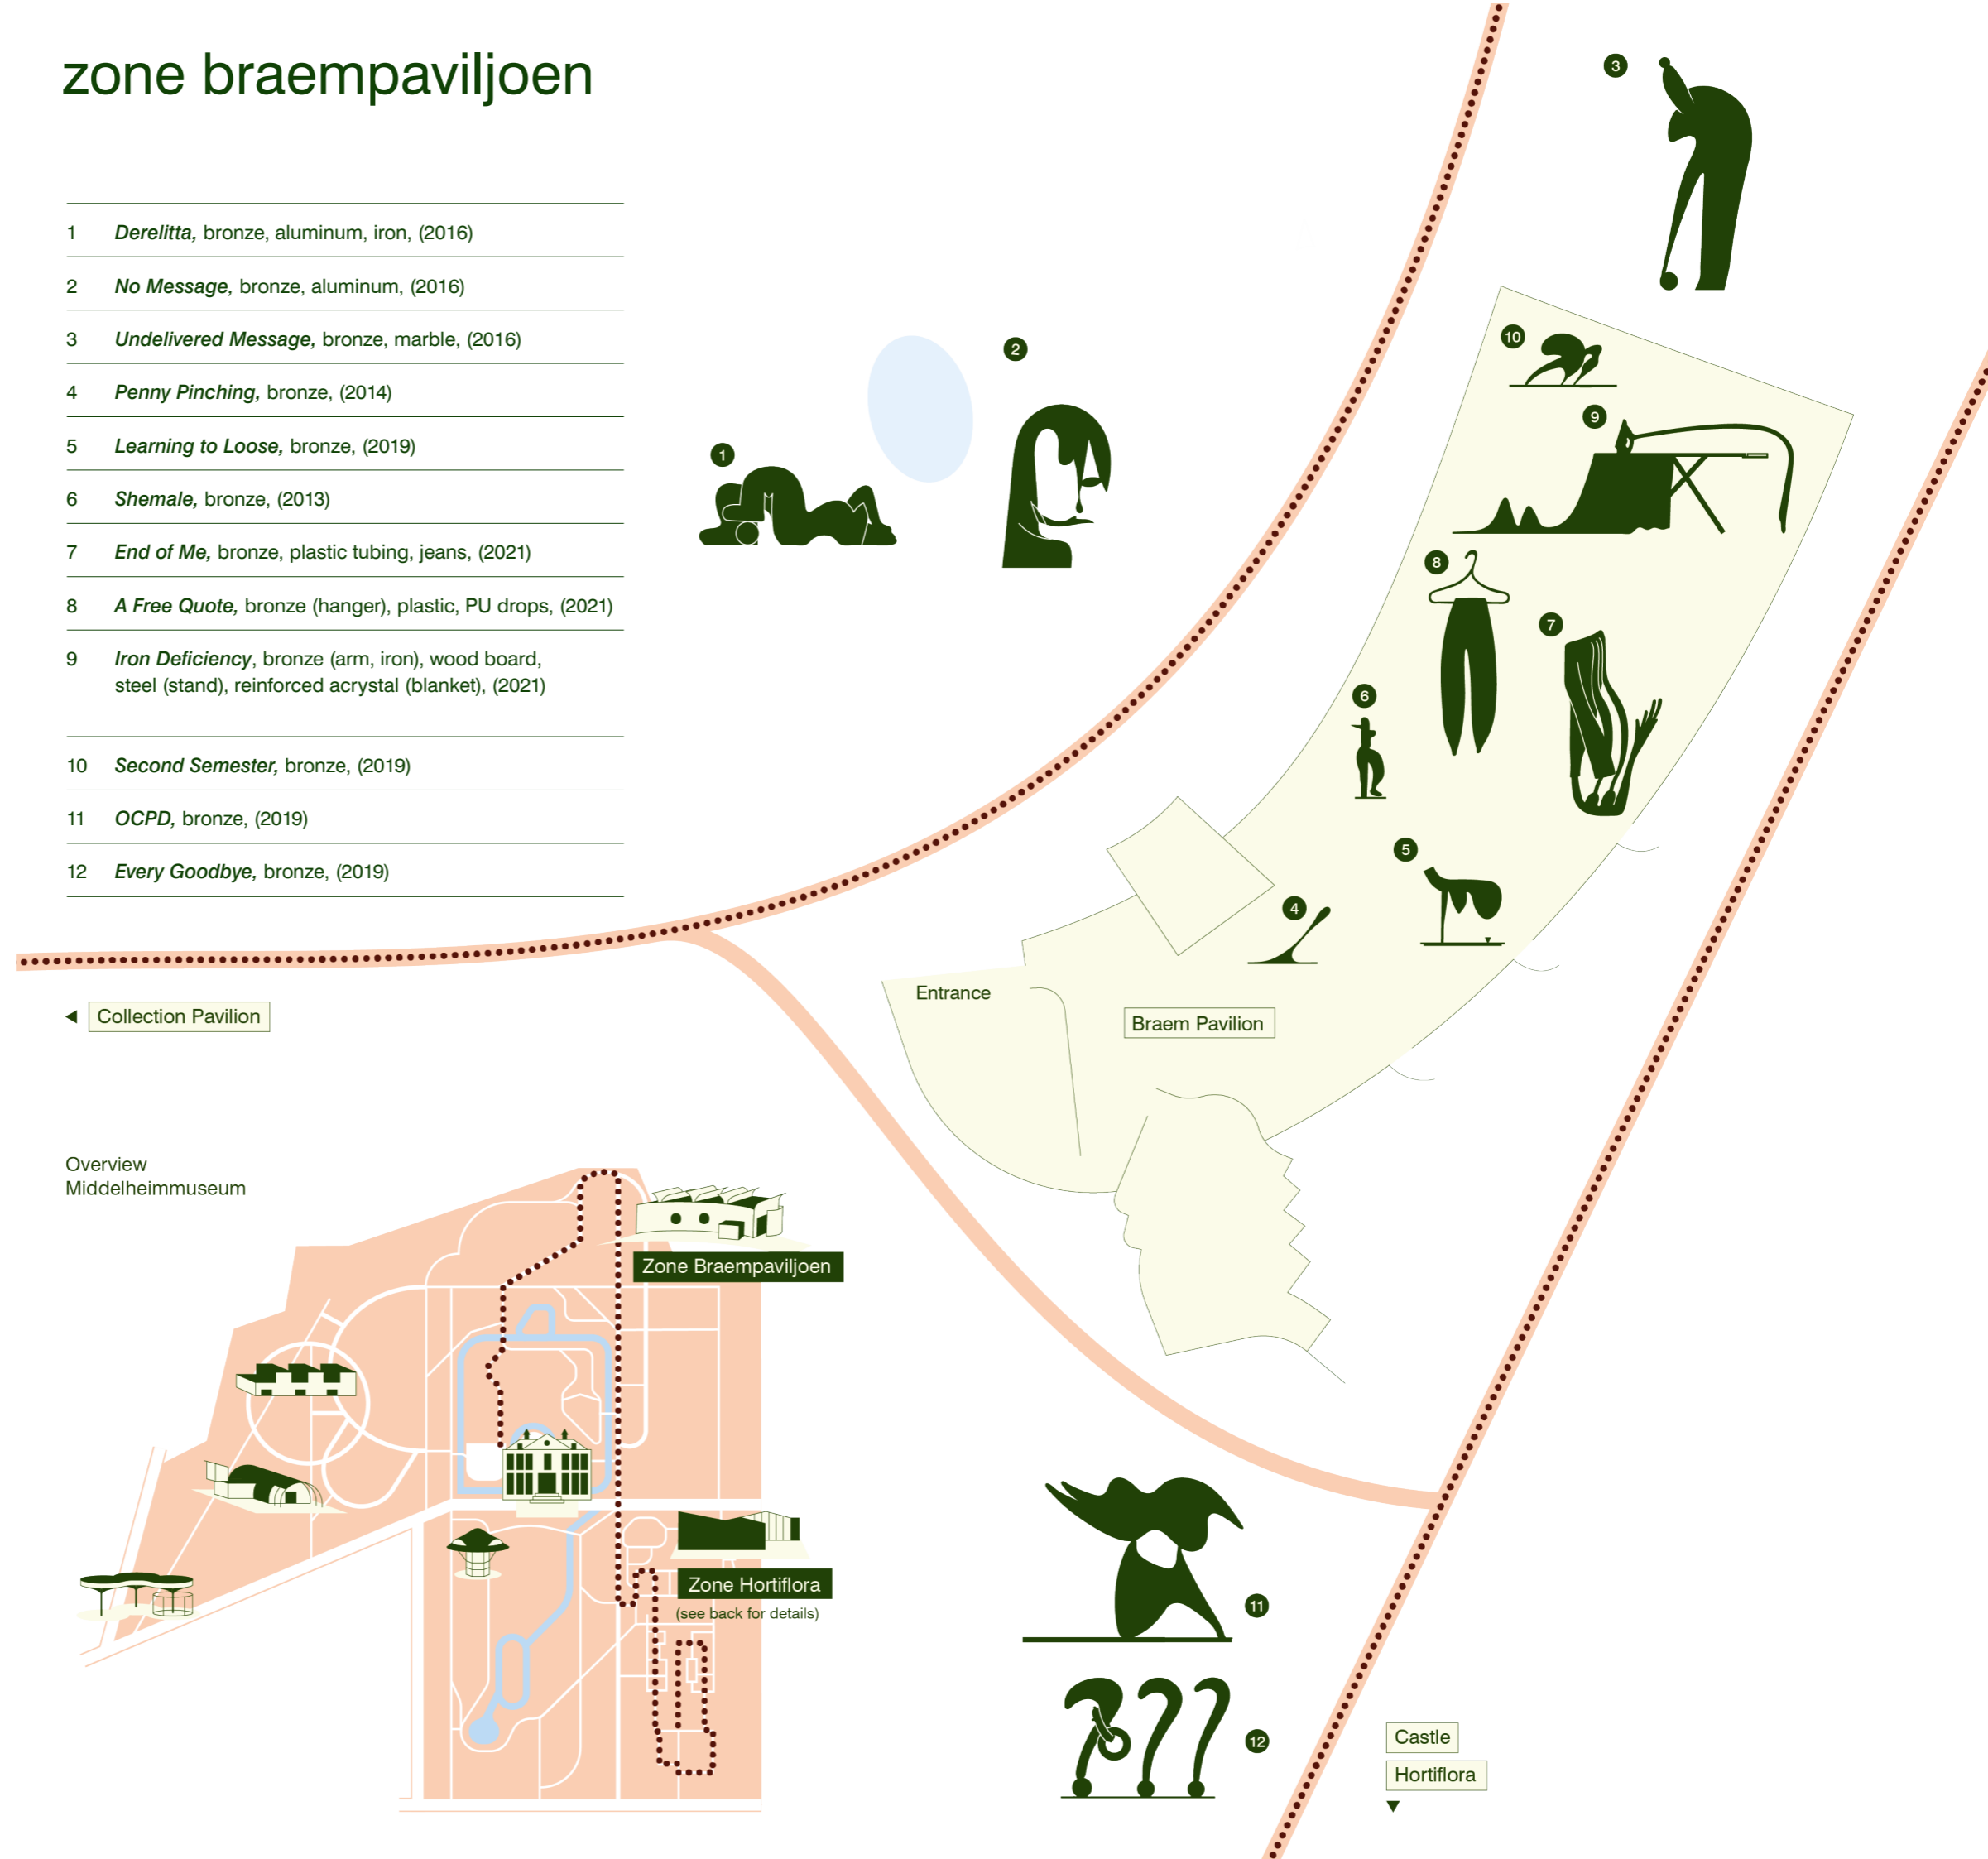

Deze zomer toont de Franse kunstenares Camille Henrot (°1978) een selectie uit haar beeldhouwpraktijk van de afgelopen 10 jaar. Henrot wordt beschouwd als een van de boeiendste stemmen in de hedendaagse kunst vandaag. 'Wet Job' is haar eerste uitvoerige museale solotentoonstelling in België. Ontdek de tentoonstelling in en rond Braempaviljoen en Het Huis.

Cet été, l'artiste française Camille Henrot (°1978) présente une sélection de son œuvre sculpturale des 10 dernières années. Henrot est considérée aujourd'hui comme l'une des voix les plus captivantes de l'art contemporain. 'Wet Job' est sa première exposition solo dans un musée en Belgique. Découvrez l'exposition dans et autour du pavillon Braem et Het Huis.

This summer, the French artist Camille Henrot (°1978) is showing a selection from her sculpture practice of the past 10 years. Henrot is considered one of the most captivating voices in contemporary art today. 'Wet Job' is her first comprehensive museum solo exhibition in Belgium.
